## Windows Of Thanks - Celebrating A Thanksgiving Apart

With Thanksgiving right around the corner but many families celebrating differently this year due to the COVID-19 pandemic, we are encouraging everyone to put positive, Thanksgiving-themed messages and pictures in their windows to share the spirit of the season with our neighbors. Feel free to share what you are thankful for or your wishes for the neighborhood in the months to come.

## Papa Murphy's is coming to Walnut Grove

On **Sunday, November 29th, between 10:30am and 11:00am**, Papa Murphy's is bringing the tailgate to your place! Go all out with your favorite jersey or team gear while keeping your eyes peeled for the Papa Murphy's Tailbaking van and you could score free pizza, gift cards, or gear to help change the way you gameday. More details, including the van's route, will be in inboxes and on WGHA social pages soon!

## Community Safety Education Meeting

On **Tuesday, December 8th**, Captain Tim Patton of the West Police District will be leading a meeting specifically for Walnut Grove and Tamarack residents focusing on letting neighbors know what resources are available to them from the Madison Police Department. After recent events, we want to be sure neighbors feel informed and know where to go for information or assistance. Make sure to watch your inbox for more details as they are confirmed.
