# Minutes of the Walnut Grove Homes Association, Inc. November 2021 Board Meeting November 9, 2021 6:30 p.m. By Zoom

**Attendees:** Liz Fenster, Doug Hyant, Charlie Morgan, Jeff Vanderpool, Kim Grimmer, Paige Hawkins, Danielle Bashirullah, Molly Hyant, and Hayden McCann. Eileen Goode was excused.

President Liz Fenster called the meeting to order at 6:30 p.m.

#### **September 28, 2021 Board Meeting Minutes:**

The Board unanimously approved the September 28, 2021 board meeting minutes as previously drafted and submitted. They are now on the website.

The Agenda for this meeting is annexed below.

### Officer and Committee Reports (All reports submitted for the meeting in advance are appended below.)

#### • President's Report

- o **Redistricting of Aldermanic Districts.** The City chose to leave all of Walnut Grove in Aldermanic District Nine, instead of splitting it up as one proposal envisioned.
- Privileges and Streets Agreement. Ms. Fenster secured legislative approval from the City in early October for the Association to assume maintenance of the neighborhood sign and plants around the sign in the Walnut Grove Park. Any WGHA resident that may do work on or around the Walnut Grove Sign in the Park must fill out a Park Volunteer form (with its attendant waiver of liability).
- Neighborhood signs repair in the park and near Greenway D. With the City's approval for our maintenance of the sign in the park, we are free to move on the repair of the sign. An Association member, Ron Wynne, submitted a bid to Ms. Fenster to repair both the park sign and the Greenway D sign, currently lying on the ground. His bid was \$450, including all work and materials. Mr. Vanderpool had previously discussed costs for these repairs with carpenters he works with professionally and felt the bid was reasonable. The Board unanimously approved awarding the repair work to Mr. Wynne.

#### • Committee/Officer Reports/Presentations/Discussion:

Treasurer (The treasurer's written report is below at T-1.)

- Year-to-Date Financials. Mr. Morgan reported on the budget as of October 31, 2021. On January 1, 2021, we had \$18,097 in Summit Credit Union with \$7,429 in 2020 expenses that were committed to be paid this year. This left \$10,668 in funds available for 2021 operating expenses at the start of the year. The report then detailed revenue and expenditures for 2021 through October 31, 2021. These are adequately described on the budget report attached as T-1. Mr. Morgan mentioned that only five households are in arrears in payment of 2021 dues. We are collecting more money than we will be spending this year due to the establishment of the Legacy Fund. We expect to set aside \$15,000 at the end of this year for the Greenways' Legacy Fund, broken down into Lamppost repairs of \$2,000 and future pathway replacement/repair of \$13,000.
- Proposed 2022 budget. Mr. Morgan presented a proposed 2022 budget, see columns F and G in the Financial Report and Proposed Budget attached to the Agenda and annexed to these minutes as T-1. The proposed budget was extensively discussed and modified by the board in only a few limited areas, including: (a) increasing pathways' maintenance by \$3000; (b) increasing lampposts maintenance by \$100; (c) increasing "Greenway and Circles – Miscellaneous" by \$450; (d) increasing the budget for social activities from \$1000 to \$1500; and (e) adding \$300 to Miscellaneous Supplies under Administrative Expenses for the President to acquire a laser printer for correspondence, reports and other printed matter. (Note: Up to this point numerous board members have been printing Association documents and correspondence at their own expense due to the lack of a dedicated Association printer.) With these limited changes the budget passed unanimously. The 2021 budget contemplates the same \$15000 contribution to the legacy funds (broken into the same two categories) as in 2021, and a net operating funds carry forward into 2023 of \$6200. The budget as approved by the Board is annexed to these minutes as "B-1."

#### Architectural Control Committee

• Mr. Vanderpool submitted the ACC report which is attached to these minutes as Addendum ACC-1. All the members had reviewed it in advance and there were no questions.

#### Greenways Committee Report

• Ms. Hawkins updated the Board on Keyman. She expects the bid from Keyman for 2022 fertilizing and weed control in the next two weeks. If we use Keyman for 2022, we will prepay that cost by December 31, for a discount. We are entitled to a credit on the 2022 bill for an overpayment in 2021, and Ms. Hawkins will ensure this credit is applied to the prepayment invoice.

The mowing cost for next year will be the same. Ms. Hawkins is meeting with Richardson's, the lawn care folks, Friday and she is going to consider discussing mowing on an "as needed" basis. The rate per mowing will remain at the current rate of \$255.00. There were complaints made over the summer by residents about "over-mowing." After discussion it was agreed to keep to the same mowing schedule as in 2021.

#### Secretary Report

• All the <u>available</u> past minutes of the Annual Meetings and Board Meetings are in the process of being archived on the Association's website. The minutes from 2010 to present are posted year-by-year and month-by-month for each year. For minutes from 2009 and previous years, the minutes are in annual packages, not broken out by months. Eventually, this archive site will have a document which is one combined .pdf document of all available past minutes, so that the minutes can be searched by key words. All the minutes posted year-by-year shall also be key word searchable.

#### Block Captains

Ms. Bashirullah reported on work to secure contact information for new home owners in the neighborhood. She has contact information back from nine of eighteen new homeowners. She is using the Block Captains to try to complete this information. She also appealed to the Board Members to contact her with what they might know about new families. She will send out a list of who she is still trying to contact.

#### Communication Update

 Ms. Fenster reported that Jenn Huntley has taken on some new consulting assignments in her business and will not be able to handle the Association's newsletters next year.

#### New Business

#### Annual Homeowners' Meeting via Zoom in January 2021.

 Doug Hyant will set up the Zoom Link and will draft the meeting notice based on last year's.

- Ms. Fenster will set up and share the PowerPoint for the meeting so that anyone that needs to have something included will be able to propose it.
- Mr. Morgan will put out the neighborhood signs soliciting homeowners to run for the board.
- Ms. Bashirullah will be asking the block captains to consider informing her of one or more persons on their block they think would be excellent board members to stand in the 2022 election.
- Ms. Fenster held out the possibility that it might make sense to reduce the number of board members from the nine (specified in the by-laws) to a smaller number, given the reoccurring problem of having new homeowners step up to run for the Board. We may take this board membership reduction concept up at the Annual Meeting.
- Ms. Fenster will be working with Mr. Hyant and Ms. Bashirullah to get the Notice of the Annual Meeting out by email and by mail to anyone not on our List Serve by the time the Notice goes out.
- The Board agreed to put a special meeting date and time on the calendar in case there are last minute matters to resolve before the Annual Meeting. This meeting, if necessary will be January 5<sup>th</sup>, 2022 at 6:30 pm, by Zoom. Ms. Fenster will have the PowerPoint out to the Board before hand.

#### Vison/Mission/Purpose Overview

The work sessions with Ms. Huntley to develop a Vision/Purpose/Mission Statement for the Association and its Board will be conducted in January to accommodate Ms. Huntley's new work schedule. Ms. Huntley will send out a doodle poll to fix dates. Any board members or homeowners not on the board will be welcome to participate in this process.

#### 2022 Assessments

Mr. Morgan said he would need a current worksheet of homeowners right after the annual meeting to get out assessment notices. He and Ms. Fenster will work on getting this together. His goal is to get out dues notices right after the annual meeting.

#### Investment of the Legacy Fund

The \$15,000 currently in the Legacy Fund is presently in a money market account at Summit Credit Union. The Board passed a motion unanimously for Mr. Morgan to investigate and purchase a six month Certificate of Deposit for the Legacy Funds under the expectation that CD rates are likely to rise considerably in the next six months. He will look at Summit Credit Union, our current bank, and elsewhere.

The meeting adjourned at 7:55 p.m.

The Next Board meeting (if necessary for pre-annual meeting planning) will be on Wednesday, January 5, 2022 at 6:30 p.m., by Zoom. Mr. Grimmer will send out a Zoom invitation by December 22, 2021.
